Gorilla Pod Test

Picked up a Joby Gorillapod at Fry's today. Pretty slick.

Wrapped the legs around the passenger side door of the MINI and whipped up a test.

The video player displays a man in a red shirt driving a car. A Joby Gorillapod is mounted on the passenger side door. The video is titled "Gorilla Pod Test". The video player interface includes a play/pause button, a progress bar showing 1:01, a volume icon, and a menu button. Below the video, a caption reads: "Posted in Video — by db on 02/13/08 (9) comments".
